

## Magical Garden Holiday Programme

### About Us:

Our Magical Garden Holiday programme will offer your children an exciting and stimulating experience, We are offering lots of games, both indoor and outdoor, and we have two and a half acres of garden and bush lands for children to run around in. Please note all activities in these areas will be well supervised.

There will be many different musical activities and some amazing art and craft activities and lets not forget what we will discover in the magical garden and surrounding bush and glade???

Our trips throughout the year include visits to Paulownia Farm Park, Waitomo caves, the donkey farm, Horse magic and a trip to the butterfly Creek in Thames to name a few.....

(Please note all week and all day bookings will get preference over session bookings..)

We are Oscar Funded and run a high quality programme

All policies and procedures are implemented before the start and during our programme. Our staff are fully trained Teachers or undertaking Teaching or other Qualifications at University. We also have high school students to assist us and help out with the many activities we do.

Please note: Some of the trip days will incur extra costs (To be advised)

We will try and keep costs down by taking smaller groups in vans so some of the groups may be taken on different days. We will advise you which day once the programme is underway. Morning and afternoon tea and all craft and art activities are included in above price.

Children will need to bring a healthy lunch and a drink along each day.
